

CATCH BASINS

Catch Basins are designed to the latest ASTM specifications. Our Catch Basins can be cast or bored with holes to your piping configurations. Tops and lids can be ordered with cast angle frames to accommodate the castings.

ODOT 2-2B & 2-2A CATCH BASIN

27 1/2 x 27 1/2" Grate

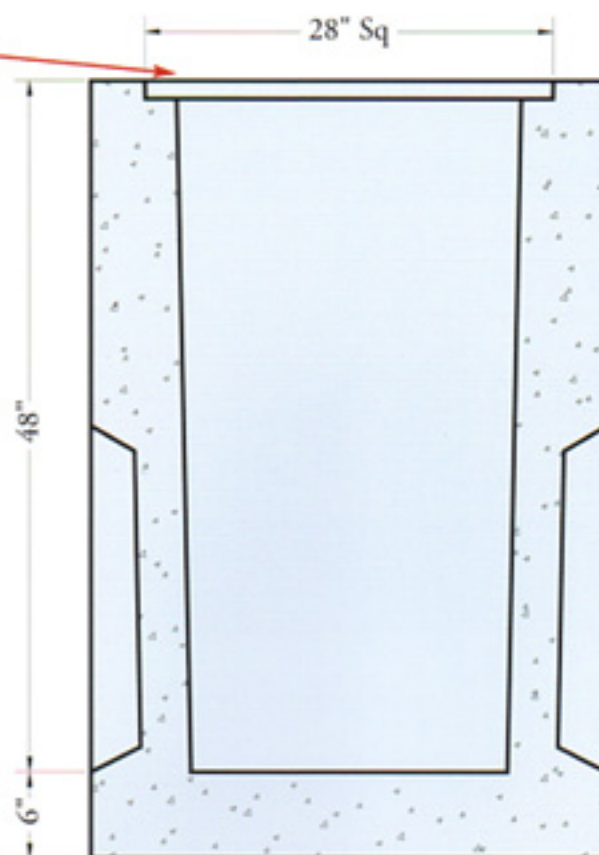

CAST IRON GRATES

Heavy Duty - Bicycle Grates Available

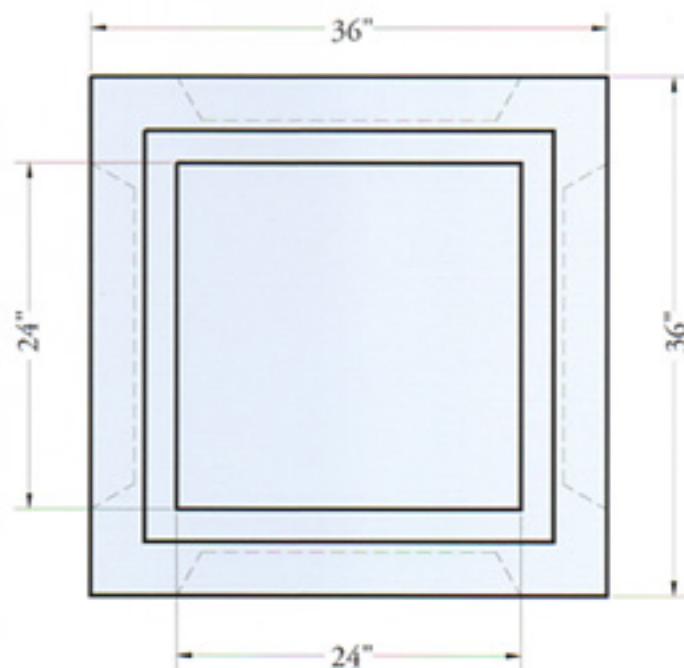

Our standard Catch Basins have knockout panels so the contractor can knock out the size of hole required in the field. Our standard Catch Basins have inside depths of 30, 36 and 48". We also manufacture risers to make grade adjustments easier. Metal framing can be cast in the top by special order to produce a 2-2A.

OPTIONAL RISER

SECTION

SECTION

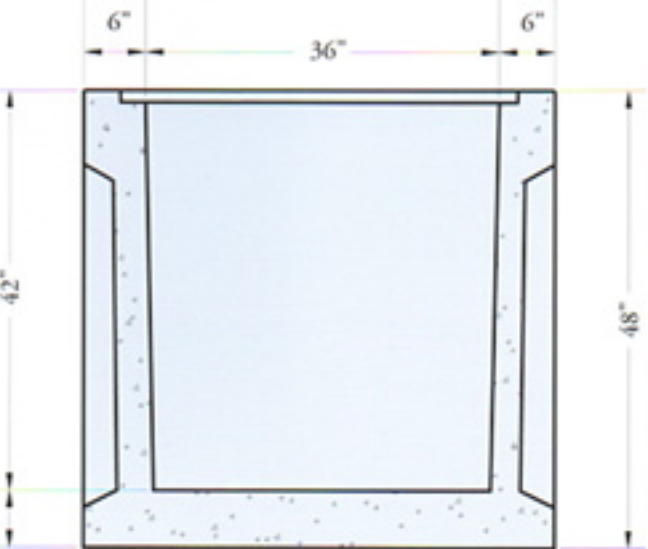

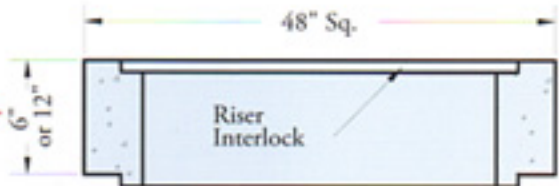

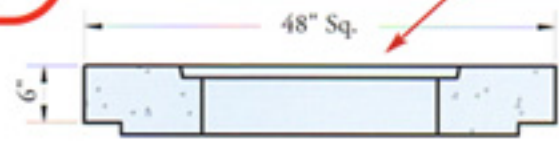

CATCH BASIN ODOT 2-3

Our standard Catch Basins have inside depths of 42" and 48". We also manufacture risers to make grade adjustments to grade easier.

* Metal Frames can be cast in the top by special order.
